ARTIST AND DESIGNER

# WELCOME TO MY PORTFOLIO. THIS IS A SELECT COLLECTION OF MY PERSONAL AND PROFESSIONAL WORK.

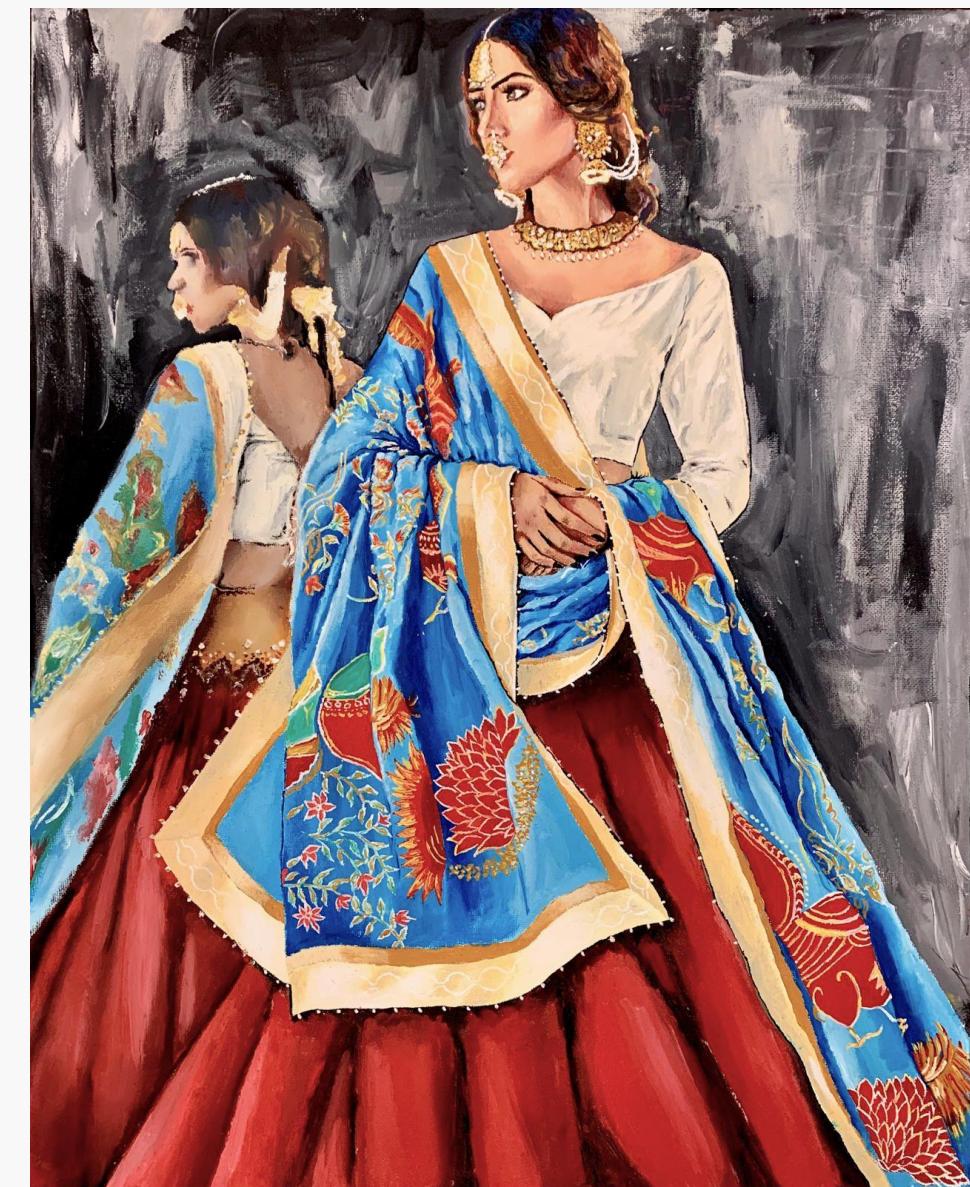

I love to express my admiration for my culture through artwork. I have experience in the visual arts of painting in various mediums as well as digital design with Photoshop, Illustrator and Procreate. The following artwork reflects my skills in these different mediums.

My passion for art fuels my determination to grow and maximize my potential as a self-taught artist. I continue to seek new opportunities to expand my portfolio.
